

PROCEDURE FOR OCCUPATIONAL/PHYSIOTHERAPY SERVICES

If a classroom teacher has a concern he/she should talk to the student services teacher and try any strategies that are recommended.

Student services teacher will discuss concerns with clinicians. Further assessment may follow.

Complete the school therapy services referral form with parents. Have the parents sign it as the referring party.

Contact the Director of Rehabilitation Therapies at the Rehabilitation Centre for Children for student to be considered for “fee for service” services.

Make arrangements directly with OT/PT through the Brandon Office.
