

BOARD-SUPERINTENDENT/CEO COLLABORATION

This policy establishes the philosophy and tone for how a Superintendent/CEO and Board will function and relate together. The code should be reviewed by the Board and administration on an annual basis and revised as deemed appropriate through this review process.

1. In dealing with the Superintendent/CEO and members of the staff and community, Board members embrace the values of honesty, openness, fairness, caring, and patience, and respect the confidentiality of information and conversations as so determined by the Board.
2. Board members recognize the Superintendent/CEO as the primary leader in the Division and respect his/her professional expertise in this area.
3. The Superintendent/CEO keeps the Board fully informed about relevant matters, provides leadership in obtaining Board approval for well-planned innovations as per Board policy, and helps to develop better relations among Board members, school personnel and community citizens.
